

Data Usage Agreement

Nova Bot

This Data Usage Agreement ("Agreement") is entered into between **The Asterion Project** ("Provider") and the user ("User") of **Nova** ("Application") effective upon acceptance of this Agreement.

1. Purpose

The purpose of this Agreement is to outline how the User's data will be collected, used, and protected by the Provider when using the Application.

2. Data Collection

The Application may collect the following types of data:

- Personal Information: such as name, email, contact details.
- Usage Data: including login activity, interaction with features, and time spent on the Application.
- Device Information: including IP address, operating system, browser type, and device ID.

3. Data Usage

The collected data may be used for:

- Enhancing and personalizing the User's experience within the Application.
- Improving Application performance and developing new features.
- Communicating with the User about updates, changes, or promotional offers.
- Fulfilling legal requirements and protecting the Provider's legal rights.

4. Data Protection

- All data will be stored securely and only accessible by authorized personnel.
- Provider will employ reasonable security measures to prevent unauthorized access, disclosure, or destruction of the User's data.

5. Data Sharing

- Provider will not share User's personal data with third parties except under the following circumstances:
 - With User's explicit consent.
 - If required by law or legal proceedings.
 - With trusted service providers who assist with Application operations, provided they agree to adhere to this Agreement.

6. User Rights

The User has the right to:

- Request access to their personal data.
- Request corrections or deletion of their personal data, subject to legal and operational limitations.
- Withdraw consent for data processing, where applicable.

7. Data Retention

The Provider will retain User data only as long as necessary for the purposes outlined in this Agreement or as required by law.

8. Amendments

Provider reserves the right to amend this Agreement. Users will be notified of any significant changes, and continued use of the Application after such notification constitutes acceptance of the revised Agreement.

9. Acceptance

By using **Nova**, the User agrees to the terms outlined in this Agreement.
